About Me

To work in a learning and challenging environment, utilizing my skills and knowledge to be the best of my abilities and contribute positively to my personal growth as well as growth organization. Undergraduate student at Sir Syed University of Engineering & Technology pursuing a bachelor's degree in Software Engineering. I intend to apply the knowledge that I've gained from my coursework, as well as self-study and hard effort to complete my internship at your firm, and I'm also eager to learn more from it.
